HEAVY DUTY SHELVES TO SUPPORT IT DEVICES

Durable and sturdy rack shelves for supporting IT equipment

Designed to manage and support IT equipment without rack mounts, the Shelves Series can be installed within any rack cabinets to add solid and flat surface for accommodating LCD monitors, keyboards, notebooks, tower units and other equipment. They feature simple standard installation with required mounting hardware included. The shelves are made of cold rolled steel with black finish to support a variety of heavy equipment.

SERIES FEATURES

- Durable and Sturdy Rack Shelves
- Installation Hardware Included
- Easy Installation for Racks
- Cold Rolled Steel with Black Finish
