

MFC-J6975DW

A3 Business Inkjet Multi-Function Printer

The premium Brother MFC-J6975DW A3 Multi-Function Printer is built for demanding workgroups, coming with up to 1 year and 4 months of ink in-box³ and a 2-year warranty. It combines fast A4 print speeds up to 31ppm² with automatic 2-sided (duplex) A3 printing and scanning, so complex double-sided documents are easy to handle. Dual 250-sheet trays, a 100-sheet multi-purpose tray and a 50-sheet ADF provide plenty of paper on board

with flexible media handling, while support for long-length printing helps create impactful signage in-house. Ultra high-yield INKvestment cartridges deliver up to 12,000 black and 10,000 colour pages¹ to reduce interventions, while comprehensive connectivity (Dual Band Wi-Fi, Ethernet, NFC) and PCL/LDAP compatibility ensure seamless integration into secure, managed network environments.
